

## Exhibit at the Malaysia Leading Herbal and Natural Products Event

We are connecting you with buyers / retailers under one roof at the same time.

It is our pleasure to invite you to exhibit at the 6th Asia Pacific Natural Products Expo 2009 (NATPRO 2009), to be held from 10-12 April 2009 at Putra World Trade Centre, Kuala Lumpur, Malaysia.

NATPRO 2009 presents three days of golden opportunities for distributors and manufacturers to meet retailers who are eager to learn new products and trends and to place orders.

We are committed to providing an event that is a powerful networking and sales opportunity for the exhibitors. At NATPRO 2009, you will connect with buyers/retailers under one roof at the same time. NATPRO 2009 puts you face-to-face with the natural products buyers that you want to see. By including a booth at NATPRO 2009 in your marketing plan, you will gain exposure to the right decision makers.

Meet face-to-face with an audience that has the potential to impact your sales immediately, and build on the relationships well in the future. It is the easiest way to establish and maintain long-term, profitable relationships with your industry partners, old and new.

We urge you to take advantage of emerging markets, learn new trends, issues and opportunities in Asia and this region, hence enable you to position your business as an industry leader at NATPRO 2009.
